Dear Exhibitor

Thank you for your interest in exhibiting at our 2009 Exeter Garden Railway Show on Saturday 24th Oct. We are aiming to make The 2009 Show, even bigger and better than the 2008 show, now that we are more familiar with the 2000 sq metres of trade and exhibition space available.

The Matford Centre has proved to be an ideal location for The show being light and 'airy' with ample free parking on site and located right next to the 'Park and Ride' and about a 5 minute drive from Junction 30 on the M5.

Our aim is to promote and demonstrate the wide range of scales and gauges that can be used in the garden and we are already receiving a lot of interest and support from traders and exhibitors wishing to attend this year. Last years show attracted over a 1000 satisfied traders, exhibitors and visitors. .

Advertising and details will appear in the railway hobby publications over the coming months and on the show website. www.exetergardenrailwayshow.com.

As before The Matford Centre will be open and available for 'setup' on the Friday afternoon and evening and with care vehicles can access the exhibition area for unloading. Free overnight caravanning and camper vans are allowed and food and refreshments will be available all day at the very reasonably priced 'on site' restaurant.

This will be our 8th annual show and the we will be building on the phenomenal success of the 2008 Show. As you are probably aware the show is not a commercial event and once more we are trying to keep costs and expenses as low as we can. Any profits from the show will be used to help finance further improvements on our group/ public exhibition layout at Buckfastleigh where many new converts have been introduced to the delights of garden railways. We will also hope to exceed the four figure donation the show made to the Devon Air Ambulance after the last years show.

EXHIBITORS BOOKING FORM
