Dear Exhibitor

Are you interested in exhibiting at our 2011 Exeter Garden Railway Show on Saturday 22nd October? We are aiming to continue the successful format of our previous shows, which have been enjoyable for visitors, ourselves, and the traders and exhibitors attending.

The Matford Centre has proved to be an ideal location for the show being light and 'airy' with ample free parking on site and located right next to the 'Park and Ride' and about a 5 minute drive from Junction 30 on the M5.

Our aim is to promote and demonstrate the wide range of scales and gauges that can be used in the garden and we are already receiving a lot of interest and support from traders and exhibitors wishing to attend this year. Previous years' shows have attracted over 1200 satisfied visitors, traders, and exhibitors.

Advertising and details will appear in the railway hobby publications over the coming months and on the show website. www.exetergardenrailwayshow.com.

As before, The Matford Centre will be open and available for 'set-up' from 4pm on Friday afternoon and evening and with care vehicles can access the exhibition area for unloading. Free overnight caravanning and camper vans are allowed and food and refreshments will be available all day at the very reasonably priced 'on site' Stockman's Restaurant.

This year will be our 11th annual show. As you are probably aware the show is not a commercial event as such and once more we are trying to keep costs and expenses as low as we can. Any profits from the show will be used to help finance further improvements to our group/public exhibition layout at Buckfastleigh, where many new converts have been introduced to the delights of garden railways. We will also, as usual, be making a substantial donation to our chosen charity, The Devon Air Ambulance.
