Dear

Trade stand bookings are now being accepted for our 2009 Show on Saturday 24<sup>th</sup> Oct. We are aiming for the 2009 show to be even more successful than last year's show which was attended by over 1200 people.

The Matford Centre is an ideal show location with plenty of natural light, lots of secure, free parking & over 2000 sq mts of trade & exhibition space available. Located next to the 'Park & Ride' 5 mins drive from J30 on the M5.

Our aim is to promote and demonstrate the wide range of larger scales and gauges powered by steam, electric, battery and clockwork that can be used in the garden and we are already receiving a lot of interest and support from traders and exhibitors wishing to attend, so early booking is recommended.

Advertising and details will appear in the railway hobby publications over the coming months and on the website. [www.exetergardenrailwayshow.com](http://www.exetergardenrailwayshow.com)

The Matford Centre will be open and available for 'set up' on the Friday afternoon and evening, with care, vehicles can access the exhibition area for unloading. Overnight caravan camping is allowed and a selection of food and refreshments will be available throughout the day of the show in the very reasonably priced, 200 seat, on site restaurant.

This will be our 8<sup>th</sup> annual show and as you are probably aware the show is not a commercial event and we will be trying to keep the trade space price as low as we can. Any profits from the show will be used to help finance further improvements to the groups 32 / 45mm outdoor exhibition layout 'Dartbridge' at Buckfastleigh on The South Devon Railway, where many new converts have been introduced to the pleasure of garden railways. We will also hope to exceed the four figure donation the SDGRG made to The Devon Air Ambulance after last year's show. Could you please let me know by e-mail, phone or post if you are unable to attend the show this year. Thank you.
