Hello

Trade stand bookings are now being accepted for our 2010 Show on Saturday 23rd Oct. We are aiming for the 2010 show to be even more successful than last year's show which was attended by over 1200 people.

The Matford Centre has proved to be an excellent show location with plenty of natural light, lots of secure, free parking and over 2000 sq mts of trade and exhibition space available. Located next to the 'Park & Ride' at Matford, 10 minutes from the city centre and 5 minutes drive from J30 on the M5.

Our aim is to promote and demonstrate the wide range of larger scales and gauges powered by steam, electric, battery and clockwork that can be used in the garden and we are already receiving a lot of interest and support from traders and exhibitors wishing to attend, so early booking is recommended.

Advertising & show details will appear in the railway hobby publications over the coming months and on our website. www.exetergardenrailwayshow.com

The Matford Centre will be open for 'set up' after 4.00pm on the Friday afternoon and evening, and with care, vehicles can access the exhibition area for unloading. Overnight caravan camping is allowed and a selection of food & refreshments will be available throughout the day of the show in the very reasonably priced, 200 seat, on site, Stockman's Restaurant.

This will be our 10th annual show and as you are probably aware our show is not a commercial event and we have tried to keep the trade space price as low as we can. Any profits from the show will be used to help finance further improvements to the SDGRG outdoor layout at Buckfastleigh Station where many new converts have been introduced to the pleasures of garden railways. The South Devon Garden Railway Group will, as usual, also be making a sizable donation to our chosen charity, The Devon Air Ambulance.

TRADE STAND BOOKING FORM

If you are interested in attending the show but require more details please contact twentyone.still@yahoo.com or call Graham Wilkins 01803 863429.

Trade space is £35.00 for every 1.5mt table frontage. There is an additional cost of £5.00 for every other supplied table used to increase the depth of your stand. There is no charge if you supply your own tables to increase the depth of your stand. (Maximum depth of all stands is 2 tables only)

Therefore, a stand using 4 supplied tables (2 in front and 2 behind) would be only £80.00. Each stand will have approximately 2 metres of space allocated behind it for storage / shelving / seating and serving at no additional cost.

I would like a Trade Stand at **The 2010 Exeter Garden Railway Show on Saturday 23rd October at the Matford Centre, Exeter, Devon.**
